

Fast Relief for Painful Wounds

Astero® is a combination drug-device hydrogel containing Lidocaine 4% for associated pain, wound healing and vasculitis including conditions such as post-surgical pain, pain associated with various wounds, providing a healing medium for ulcerations caused by mixed vascular etiologies, diabetic ulcers, venous stasis ulcers, decubitus ulcers, pressure wounds, severe to mild abrasions and up to second-degree burns.

Available by prescription only, Astero® provides superior wound healing and has a rapid onset of action in 3-5 minutes.

Astero utilizes M-Dose™ Technology which dispenses the exact amount of medication (0.25 ml per pump) per application.
